DATALOGIC GENERAL PURPOSE CORDED SCANNERS

The wide range of general purpose handheld readers offer users a variety of choices for their data collection activities. ALL Scanners feature Datalogic's exclusive patented 'Green Spot' for good-read feedback, improves productivity in noisy environments or in situations where silence is required. Product sets offer conventional laser, linear or area imaging technology, plus a variety of features to meet specific scanning needs.

**All kits include USB Cables*

QuickScan I QD2100 Series – Starting At: \$122.40/USB Kit*

The QD2100 is small, lightweight and its ergonomic design is comfortable to use during daily operations. The QD2100 was specifically designed to allow for user replaceable scan windows. Supports majority of 1D codes plus GS1 DataBar™ linear codes & comes with a **5-year warranty**.

Best Used For: Point-of-Sale, Retail and Office Environments, Postal Offices & Couriers

Gryphon I GD4100 Series - Starting At: \$158.10/USB Kit*

The Gryphon GD4100 readers' ability to capture bar codes from near contact to over 3.9 ft increases productivity & improves ergonomics for users. **Healthcare models** feature Disinfectant-Ready enclosures designed to withstand daily cleaning with harsh disinfectant chemical solutions to effectively fight germs and bacteria. Includes a **5-Year Warranty**.

Best Used For: Retail & Office Environments, Hospitals, Pharmacies, Warehouses & Manufacturing

Gryphon I GD4400 2D Series - Starting At: \$234.40/USB Kit*

The Gryphon I GD4400 imager blends advanced 2D reading with motion sensing technology, producing a user-friendly device that supports virtually any 1D & 2D barcodes along with the ability to capture images up to A5 size. **Healthcare models & High Density (HD)** models are also available for reading smaller, condensed barcodes. Backed with a **5-Year warranty**.

Best Used For: Marketing & Ticketing, Image Capturing, Reading Bar Codes off Mobile Devices

Gryphon L GD4300 Series - Starting At: \$199.70/USB Kit*

The Gryphon GD4300 scanner is an ideal solution providing an excellent depth-of-field of over 19.0 inches, snappy performance with a bright, well-defined scan line. At 100 scans per second, the GD4300 scanner can keep up with demanding retail or general purpose scanning environments. **5-Year Warranty**.

Best Used For: Retail & Office Automation, Noisy Applications & "High Volume" Scanning Applications
