## DATALOGIC GENERAL PURPOSE CORDLESS SCANNERS

**The wide range of general purpose handheld** readers offer users a variety of choices for their data collection activities. ALL Scanners feature Datalogic's exclusive patented 'Green Spot' for good-read feedback, improves productivity in noisy environments or in situations where silence is required. Product sets offer conventional laser, linear or area imaging technology, plus a variety of features to meet specific scanning needs.

*\*All kits include: Base Station, Power Supply, Line Cord & USB Cable*

### **QuickScan I QM2100 Series – Starting At: \$370.50/USB Kit\***

With an IP30 rating & a wide working range of 40 ft, the QM2100 barcode scanner gives any medium volume retail environment an easy solution for mobile barcode scanning. The 1D CCD imager is aggressive and accurate, and Datalogic's **green dot** technology lets you know which barcode you scanned immediately. Comes with a **3-Year Warranty**.

**Best Used For: Entry/Medium Level Retail Environments & General Purpose Scanning Applications**

### **Gryphon Mobile GM4100 Series - Starting At: \$490.35/USB Kit\***

The Gryphon GM4100 cordless linear imaging readers are extremely versatile & durable. Add a 910 MHz (USA) radio with a working range up to 49.2 feet in open air, makes the GM4100 scanners the ultimate solution for applications in retail and light industrial environments where mobility is necessary for improved productivity. The Gryphon provides good read indicator (**green spot**) directly on the scanned barcode for easy confirmation and a **3-year warranty**.

**Best Used For: Retail & Office Automation & Light Industrial Applications**

### **Gryphon Bluetooth GBT4100 Series - Starting At: \$479.30/USB Kit\***

The Datalogic Gryphon I GBT4100 barcode scanner gives any business a dual purpose cordless and presentation-style scanner. The Gryphon GBT4100 uses Bluetooth 2.0 wireless technology to give you an effective 98 feet of barcode scanning mobility. If you end up out of radio range, the Gryphon GBT4100 can switch to batch barcode storage mode, storing up to 1,200 barcodes until it regains a signal. When combined with a **3 year warranty**, the Datalogic Gryphon GBT4100 has the perfect combination of premium scanning features and durability.

**Best Used For: Retail & Office Environments, Hospitals, Pharmacies, Warehouses & Manufacturing**

### **Gryphon Mobile GM4400 Series - Starting At: \$659.35/USB Kit\***

The Gryphon I GM4400 2D scanner blends a highly visible 4-Dot aimer to clearly define the reading zone, Datalogic's STAR Cordless System, and Datalogic's Motionix™ motion-sensing technology, which enables the scanner to intuitively switch into handheld mode, activating the illumination and aiming systems when the device is picked up. The GM4400 scanner reads common codes including 1D, 2D & Postal codes plus stacked & composite codes like PDF417 & GS1 DataBar™. **3-Year Warranty**.

**Best Used For: Ticketing Applications, Point-To-Point & Multi-Point Solutions (Up To 16 Readers)**

### **Gryphon I Mobile GM4400 HealthCare Series - Starting At: \$793.45/USB Kit\***

The Gryphon™ 4400-HC 2D scanners are ideally suited for stationary applications in administration, laboratory and hospital environments. It can decode virtually any 1D and 2D bar code symbology and can read codes from LCD monitors, cell phones, smartphones and other mobile devices. Enhanced optics offer improved motion tolerance and high speed imaging to read fast moving codes as well as the ability to capture images such as signatures, complete IDs or prescriptions. **3-Year Warranty.**

**Best Used For: Hospitals, Laboratories, Quiet Environments, Patient Care, Retirement Homes**

---

### **Gryphon I GBT 4400 Series - Starting At: \$657.85/USB Kit\***

The Datalogic Gryphon I GBT4400 barcode scanner combines top-notch cordless technology with the reliable Datalogic 2D scan engine to provide an optimal scan range of 15" for standard retail barcodes. The Gryphon GBT4100 uses Bluetooth 2.0 wireless technology to give you an effective 98 feet of barcode scanning mobility. When out of range, the Gryphon I GBT4400 can switch to a batch-scanning mode, storing barcodes until it reconnects with the Bluetooth host. When combined with a **3 year warranty**, IP52 Rating and sturdy build quality all combine to make the Datalogic Gryphon I GBT4400 barcode scanner a smart, long-lasting investment.

**Best Used For: Retail & Office Automation, Light Industrial Applications, Document Handling**
