## DATALOGIC INDUSTRIAL CORDLESS SCANNERS

**Datalogic's PowerScan industrial handheld barcode scanners** are one of the most durable, rugged and aggressive bar code readers on the market. ALL Scanners feature Datalogic's exclusive patented (3GL™) technology displays a 'Green Spot' on the barcode for good-read feedback. PowerScan offers conventional laser, linear or area imaging technology, plus a variety of features to meet specific scanning needs.

*\*All kits Include: Base Station, Power Supply, Line Cord & USB Cable*

### **PowerScan PBT7100 Series – Starting At: \$722.35/USB Kit\***

The PowerScan PBT7100 barcode scanner with Bluetooth wireless technology offers operator freedom up to 328 feet, rugged durability & extremely snappy reading performance. The PBT7100's innovative and unique optical design combines features that are normally available on different models into a single device: up to 3 mils barcode resolution, contact to over 9.8 ft. reading distance, IP65 rating and wide angle bar code reading. The result is a versatile, easy to use, intuitive scanner that simplifies any application. **3-Year Warranty.**

**Best Used For: "High Speed" Applications, Large Warehouse Environments, Outdoor Scanning Conditions**

### **PowerScan PM8300 Series - Starting At: \$938.40/USB Kit\***

The PowerScan PM8300, features Datalogic's STAR Cordless System for narrow band radio communications, scalable solutions & an optional display with a 3-button keypad. The PowerScan PM8300 readers' mechanics have been developed & tested to withstand extreme environmental conditions while maintaining consistent reading performance. Hard shocks (6.5 ft. drops), dust and water (IP65/IP64 sealed) and adverse temperature conditions (operative at -22 -F) do not affect product performance or reliability. **3-Year Warranty.**

**Best Used For: Extreme Environmental Conditions, Industrial & Rough Retail Scanning Solutions**

### **PowerScan PBT8300 Series - Starting At: \$956.35/USB Kit\***

The PBT8300 cordless laser scanner is a standard wireless solution that guarantees mobility with Bluetooth 2.0 wireless technology & is easily configured to be compliant with Class 1 or Class 2 requirements, allowing for distances that exceed 295 ft in open air. All PBT8300 models are available with Standard Range (SR) or Auto Range (AR) optics for reading distances up to 41.0 ft. **3-Year Warranty.**

**Best Used For: Warehouse & Manufacturing Applications, Forklift Mount, Shipping/Receiving Departments**

### **PowerScan PM8500 Series - Starting At: \$938.40/USB Kit\***

The PowerScan PM8500 cordless scanner offers omni-directional reading of 1D & 2D barcodes combined with unlimited mobility guaranteed by the Datalogic STAR Cordless System. The PM8500 reader's feature a high-resolution Megapixel imaging sensor & is offered in three optic models: Standard Range, High Density & Wide Angle for outstanding performance in industrial applications. **3-Year Warranty.**

**Best Used For: Warehouses, Logistic Centers, Manufacturing Plants, Rough Retail Environments**

**Service • Repair • Loaner Scanners**  
**FREE Pre-Sale & Post-Sale**  
**Technical Support on ALL Scanners!!**
